Child & Parent Rights, Obligations, and Assurances

1. The standards for screening are the same for every child regardless of race, income, creed, sex, national origin, or political beliefs.
2. Screening is required for your child's entry into public school kindergarten or first grade. This requirement is met if your child has participated in a screening through Head Start, Child and Teen Checkups, or equivalent screening through another provider that includes all required ECS components within the past year. The screening summary results must be given to your child's school district.
3. Screening is not required for your child's entry into kindergarten or first grade if you are a conscientious objector to screening.
4. You have the right to refuse any of this screening for your child and still receive any of the other screening parts.
5. You have the right to refuse referral for assessment, diagnosis, and possible treatment for your child.
6. Your child's medical assistance eligibility or eligibility in any other health, education, or social service programs will not be affected if you refuse this screening or any parts of this screening.
